Subject:	carsonite trail markers & decal vendors

Hi Michael. Thank you for the productive meeting today. As requested, here is the information for who we have ordered the trail marker decals from. I have not dealt with Quick Signs directly before, but they supposedly have the trail use, arrow, and name decals on file. I don't know what name they keep our files under, perhaps City of RPV, PVP Land Conservancy or Ocean Trails Reserve. You can visit their website to check it out. Also, I've added Bernsten International as a vendor of carsonite trail markers. Another marker vendor is Voss Signs at www.VossSigns.com

If these don't pan out, let me know and I'll see what else I can find out. Up till now, decals & markers in the Preserve have been handled by the Conservancy, that's why I'm not up on all the details here. Anyway, hope it works. Take care.
